

# LINEALUX L5

A 2<sup>nd</sup> generation, high-output luminaire that combines technology and performance in a stylish linear form factor.

Visual comfort technology to reduce contrast while still achieving maximum light output

Nine (9) step powder-coat system including marine-grade epoxy undercoat

Premium Designer Optics as standard for virtually no color-over-angle separation

Premium Luxeon® LEDs.

Two mounting options:  
• Adjustable bracket  
• Fixed bracket

Available in 1, 2, 3, 4 ft lengths

Marine-grade aluminium housing

Integrated controls built in.

Integrated active thermal management system

Surface mounted with included galvanic isolator

Vibration resistance (ANSI C136.31)

Increased cable distance to make installation using multiple luminaires easy.

Control resolutions 12.0" (300 mm) and full luminaire

Static White: Up to 8,650 lm  
RGBW: Up to 4,710 lm

*Lumen output is based on 22 W/ft, 4 ft luminaire with 6° lens*

Available in RGBW, RGBA, Tunable White and a wide selection of white color temperatures.
